

FUNWHEELING RACES, CLINICS & CONTESTS

HOW TO PARTICIPATE: Preregistration is not necessary ahead of the event. For **Chair**, **Egg**, and **Tandem** Races, come to the Santa Cruz WheelSlip area in the Redwood Cathedral on Friday at 3:30pm and sign up before we kick off at 4pm. You can also sign up for Chair Races at the registration table upon arrival.

For **Clinics**, show up at the time and location on the schedule. These will be first-come, first-serve and instructors will take signups before starting. If a clinic fills up, you're welcome to observe.

For the **Bonk Competition**, join us for Neil Bennett & Friend's Bonk Better clinic at 2:30pm on Friday in the Redwood Cathedral. We'll transition straight from that into the Bonk contest.

CHAIR RACE: Bring your favorite chair, rocking horse, or custom creation to race on a closed circuit, using smaller group starts. Racers will compete against each other and also against the clock. The fastest overall time of the day will be awarded.

EGG RACE: Select a team of 3. Competitors will race individually in the manner of a **relay race**. Competitors will line up at the starting line and be given an egg and spoon. Each racer will race 1 lap and then pass the egg to a teammates spoon for their lap, etc. If the egg falls from the spoon, competitors will be disqualified. The team to successfully cross the finish line, with the fastest time of the day, will be awarded.

TANDEM RACE: Two racers will ride a single Onewheel through our Redwood Circuit. This will be ran in group starts, and the team with the fastest overall time at the event's end, will be awarded.

CLINICS: Want to work on your freestyle skills? Learn how to Nudgeeverything? Bonk Better? Join us for a series of clinics over the course of the event, led by your favorite riders. See the daily schedule for times and locations.

BONK CONTEST: Neil Bennett & Friends will host a Bonk competition on Friday afternoon at 2:30pm. We'll kick things off with tips & tricks and transition into a contest with some help from our friends at Electric Stoke.

WHEELSLIP CATHEDRAL: Santa Cruz Wheelslip will be holding down the Redwood Cathedral, transforming the Neighborhood Shred into an experience like no other. Look for clinics, Funwheeling races, features and more in this area all weekend long.

CORRAL TERRAIN PARK: Between the Corral and the Lower Cabins you'll find a slew of features, ramps, rails, and more. Including mind-blowing custom creations courtesy of Krafty Ian and Karvkraft. Join us for some clinics and level up your riding in this spot that's sure to be a crowd favorite.
