

CAMP NAVARRO

Packing List*

**Suggested and not a complete list*

Check the weather for Navarro, CA and Philo, CA

In general, Summertime finds CN warm / hot (70-80's) by day and cool at night (50's-60's) once the sun sets.

Mornings can be cool until about 9-10am.

Fall weather can range from mid 80s in day to mid 40s at night and can be damp

Being a camp in the forest, we recommend people to dress casually and informally and things might get a little dirty.....
